PRELIMINARY AMENDMENT

TO THE COMMISSIONER FOR PATENTS:

Please preliminarily amend the above-identified patent application as follows.

In the Claims:

Please cancel claims 1-19. Please add new claims 20-35 as follows:

A<sup>1</sup> 20. (New) A method of verifying a financial transaction comprising:

receiving via a voice channel of a digital wireless telecommunications network a set of audio tones representing a merchant financial verification request, a first tone in the set of audio tones representing a first binary portion of the financial verification request, and a second tone in the set of audio tones representing a second portion of the financial verification request;

converting the received set of audio tones into a financial verification request; and
